

ACCESS

Promoting Accessibility

of Students with Disability to Higher Education in Cuba, Costa Rica and Dominican Republic

OVERALL OBJECTIVE

To improve accessibility, ensure learning conditions and foster policy change towards inclusion for students with disabilities within the context of Higher Education in Costa Rica, Cuba and Dominican Republic via modern inclusion practices, training and networking.

SPECIFIC OBJECTIVES

- Creation of **Support Centers for students with disabilities**, long-term strategies for the access and retention of these students in HE system and equip them with assistive technologies.
- To establish a **National Network** in each partner country and an overarching **Regional Network**.
